

PNIG Newsletter Vol. 1, Issue 2

Good Day Fellow PNIG Members,

Welcome to the second edition of our newsletter. Please pay particular attention to the listserv (Topic #1) as it is an excellent resource for any and all interested in psychiatry and mental health. You are strongly encouraged to sign up ASAP and take advantage of the wonderful opportunities available via this site. Also, please remember to send me anything you would like to be included in our newsletters.

-Monica

Get involved in group discussions and receive updates on psychiatric news, research/elective opportunities, upcoming conferences and events.

<http://www.amsa.org/psych/>

***SOCIETY FOR NEUROSCIENCE 2006: 10/14-10/18, Atlanta, Georgia

Abstract Submission

Open April 24 to May 15

Visit www.sfn.org/cfa to view rules and guidelines for submission and to submit an abstract. You must be an SfN member in good standing to submit an abstract. The deadline for new applications is May 5, so visit www.sfn.org/joinnow if you are not already a member. If you are a prior SfN member and wish to renew membership, visit www.sfn.org/paydues. If you have any questions regarding abstract submission, please contact the Program Department at program@sfn.org. For membership questions, please contact the Membership Department at membership@sfn.org. You may also call (202) 962-4000.

***RECEPTION: ASIAN HEALTH AND MENTAL HEALTH ISSUES, 5/22,
TORONTO

During the APA Annual Meeting in Toronto, the APA Committee of Asian-American Psychiatrists will host a reception on May 22 at 7:30 pm at the Intercontinental Hotel. The reception is a way for both Asian-American medical students considering a career in psychiatry and residents interested in serving the Asian community to meet practicing psychiatrists and talk with them about their careers, the APA, and Asian health and mental health issues.

You are cordially invited to this event. In addition, please help us to identify medical students and residents that you know who might like to attend by forwarding this email directly to them. The invitation is below. An RSVP is required by May 15.

The Committee of Asian-American Psychiatrists of the American Psychiatric Association Requests the pleasure of your company at a Reception for Medical Students and Residents Interested in Asian Health and Mental Health Issues.

Monday, May 22, 2006
7:30 -9:00 pm
High Park Room
Intercontinental Hotel
Toronto, Canada

Please reply by May 15 to Alison Bondurant by phone at 703-907-8639 or by e-mail at abondurant@psych.org.

Global Health Outreach Fellow

Hosted and supported by the Global Health Council, the University Coalitions for Global Health Resource Group is a national collaboration between health-focused organizations with a university presence. Established in the fall of 2004, the UCGH Resource Group currently includes the UNICEF Campus Initiative, the Student Global AIDS Campaign, the Student Campaign for Child Survival, Student National Medical Association, Students Partnership Worldwide, and the Global Health Council University Program. Other collaborating organizations include the American Medical Student Association, the American Public Health Association, and Universities Allied for Essential Medicines.
